

Queensland Schools Web Challenge...

Rules and Conditions

In order to be eligible to enter the Queensland Schools Web Challenge, the following conditions must be met:

- Schools or institutions must have institutional QSITE membership
- Schools may enter more than one team
- Teams must have 2 to 4 students
- Each team member must be a student at the school or approved institution
- Each team must have one member of the school staff who serves as the team mentor
- A team may have more than one mentor
- All work must be completed by student team members and no outside person or company
- Mentors may not perform research
- A Student Consent Form regarding publishing students work online must be completed by each student and kept on file at your school
- The Principal's approval must be gained by the teacher involved, as they will be legally responsible for the website
- Each team must nominate for one (1) category only:
 - o Open (Years 11, 12 & QUT*)
 - o Middle Secondary (Years 9 - 10)
 - o Junior (Years 4 - 8)
- Each team must complete a registration form
- Entries must be published on the Internet for judges to view. If you do not have facilities to do this at your school please contact Aussie School House <http://www.ash.org.au/> to apply for free web space.
